Please don't give up on me...if you spay me, I will be much easier to live with. I promise!

Don't Give Up on Your Bunny!

Low Cost Rabbit Spay/Neuter

Ramona Humane Society Animal Clinic
500 Humane Way, San Jacinto, California
(1 blk. West of State St. on 7th)
951.654.3110

Males: \$55 (\$30 after rebate)

Females: \$80 (\$40 after rebate)

Before you leave your rabbit at the shelter, PLEASE consider spaying or neutering. Rabbit rescues across Southern CA are overflowing with unwanted bunnies, and we are at capacity, too.

BE A PART OF THE SOLUTION—SPAY and NEUTER YOUR RABBIT.

Residents of communities served by our partner, Animal Friends of the Valleys, are eligible to receive an additional rebate of \$25 for a neuter (male) and \$40 for spay (female).

To get your rebate, mail a copy of your rabbit's surgery receipt to:

San Diego HRS Spay/Neuter Fund

P.O. Box 261553

San Diego, CA 92196-1553

Bunnies go from cute to cranky almost overnight when they become sexually mature (3-4 months old). Spay/Neuter can eliminate unwanted behaviors almost overnight. The surgery also protects your bunny from certain reproductive cancers. Statistics indicate that 80 to 90% of girl bunnies may develop uterine cancer by the time they are 4-5 years old.
